I have a flashing inspection for 5/4 on 43226 that I didn't receive results for. Do you have those?

No problem. I thought Brittany handled surveyor letters a little while ago.

Good afternoon Daina,

I am working on these now. 43210 and 43211 I can't release the hold on just yet, as I don't have the surveyor letter for these 2. Once received, I can release. Thanks! Have a great weekend!
