Subject: Karmeris MH change permit #43230
Date: Thursday, December 9, 2021 8:33:52 AM

To: Columbia County Building Department

Subject: Mobile Home Exchange

Customer James Karmeris apparently became disgruntled with the Mobile Home Company where they had first ordered the mobile home that was permitted (43230).

James Karmeris has switched from C&G Homes to Jacobsen Homes. These companies sell different makes and models of homes. That change caused us to generate paperwork for the new home including a change of sub-contractors. New paperwork sent prior to this letter.
