To: Columbia County Building Department

I hereby certify that I have determined that the finished floor elevation of the new mobile home in place on Lot 7, Crawford Point, a subdivision recorded in Plat Book 9, Pages 64 and 65, Columbia County, Florida is 100.90 feet (NAVD 88). The plat of record indicates the minimum finished floor elevation for this lot is 92.00 feet. The existing ground elevation around the home is between elevation 96.00 and 97.00.

These elevations are based on FDOT bench mark I75 71 A10 RM 1, Elevation 177.16 feet (NAVD 88) located in the southeast end of an overpass bridge at the intersection of I-75 and County Road 240.
