Subject: Request to Change Permit Classification from Single-Family Dwelling to Storage Building

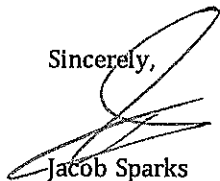

To Columbia County Building Department,

I am writing to respectfully request a revision to my current building permit 72839 pending. Upon reviewing the permit details, I realized that I mistakenly applied for a Single-Family Dwelling permit when my actual intent was to construct a Storage Building.

This error was unintentional, and I sincerely apologize for any inconvenience it may cause. I would greatly appreciate your assistance in guiding me through the process of correcting this permit classification. If any additional documentation, fees, or forms are required to facilitate this change, please let me know and I will promptly provide them.

Thank you for your time and understanding. Please feel free to contact me at 386-438-4442 or jacob@lineelectriccompany.com if you need any further information or clarification.

Sincerely,

Jacob Sparks
