Produced Identification _____ Type of identification produced _____

* Include photographs of each plane of the roof with the permit number clearly shown marked on the deck for each inspection. Place a tape measure next to the nailing pattern to show distance between nails.

* Photographs must clearly show all work and have the permit number indicated on the roof.

* Affidavit and Photographs must be provided when final inspection is requested.

* Metal overlay & purlin installations shall have photographs of purlins or underlayment, whichever applies.
