

Addendum to permit #24798.

Owner/Contractor - Donald Shea (386) 984 6200

1. Addition of pantry door.
2. Addition of kitchen window.
3. Substitution of 2'x4" stiff legs and concrete screws to support ledgers on both sides of hallway for support of roof trusses and hallway ceiling.
4. Substitution of 2"x14" laminated beams for engineered truss on east side of building (similar to the west side).
5. Additional 6"x6" columns on east side of building to support the beams discussed in #4.
6. Addition of internal footer on the south side of the hallway similar to the footer on the north side.
7. Substitution of 2"x6" stud wall on south side of kitchen (wall is not load bearing).
8. Addition of 2"x6" stud walls to house plumbing on:
 - a. East wall of kitchen
 - b. East and west walls of laundry
 - c. West wall of pantry
