Drivers are prohibited from delivering concrete except under the truck's own power, and where site conditions permit the safe and proper operation of his equipment. Drivers are not permitted to add water to the mix to exceed maximum slump nor to go beyond the curb line, except upon the authorization of the customer and his acceptance of risk for any loss or damage. This concrete is designed in accordance to customer's specifications. Any alteration at the job relieves producer of responsibility for design strength.				Additional water added to this concrete will reduce its strength. Any water added is at customer's own risk.
				Water Added: Gallons X Customer's Re

No credit allowed for returned concrete

TERMS: Stand-by and or unloading time in excess of 10 minutes per yard (1 hour maximum) will be charges at the current rental rate per hour unless otherwise stipulated.
