Re: Building Permit # 000022263

To Whom It May Concern:

Permit# 22263

Please be advised that I will not be building a home on Lot 54 in Callaway Subdivision Phase II.

The home that was scheduled to be built on Lot 54 will be built on Lot 72 in Callaway Subdivision Phase II for which you will be receiving an application for a building permit within the next few days.

Please either refund the \$646.50 that was paid for this permit or apply it to the application that you will be receiving for a building permit for Lot 72.

Thank you for your prompt attention to this matter.

\*NOTE: The home's estimated energy performance score is only available through the FLA/RES computer program. This is <u>not</u> a Building Energy Rating. If your score is 80 or greater (or 86 for a US EPA/DOE EnergyStar<sup>TM</sup>designation), your home may qualify for energy efficiency mortgage (EEM) incentives if you obtain a Florida Energy Gauge Rating. Contact the Energy Gauge Hotline at 321/638-1492 or see the Energy Gauge web site at www.fsec.ucf.edu for information and a list of certified Raters.
