We called Josh Stringer about this, and he had said you or I could sign them. I am going to go ahead and do that. I just wanted to make you aware.

[EXTERNAL SENDER] Use Caution opening links or attachments

Good afternoon Stephanie,

Attached are two documents I need signed in order to obtain a permit. One is a notice of commencement and the other is an owner/contractor page required by Columbia County. Please have an authorized officer sign both pages where indicated.

Below is a link for the shingle color options. We will also need a drip edge color. Those options are black, white or brown.

[IKO Cambridge shingle color options](#)

Once I receive the signed documents back, I can move forward with applying for the permit. Once permit is issued, we schedule the work to begin.

If you have any questions please feel free to give me a call.

Thank you!

Lindsey Spencer
