\* Include photographs of each plane of the roof  
clearly shown marked on the deck for each inspection. Place tape  
measure next to the nailing pattern to show distance between nails.

\* Photographs must clearly show all work and have the permit number  
indicated on the roof.

\* Affidavit and Photographs must be provided when final inspection is  
requested.

\* Metal overlay & purlin installations shall have photographs of purlins  
or underlayment, whichever applies.
