Re: Permit # 000040693
Finished Floor Elevation Reduction

Dear Sir/Madam,

After my site visit to 155 NW Meadowlark Dr., Lake City, FL 32055 dated 10/23/2020, I have found the property will properly slope towards the required front culvert while maintaining the home's finished floor elevation (FFE) same level with the adjacent road touching said property.

Therefore this request is made to reduce the current FFE by 1' making it level with the adjacent road.

Should you have any questions or concerns in this matter please do not hesitate to contact me for further clarification.

Sincerely,

A handwritten signature in blue ink that reads "Ram A. Goel" followed by the date "10/23/2020".
