

RESOLUTION NO. PZ SDP 23 05

A RESOLUTION OF THE PLANNING AND ZONING BOARD OF COLUMBIA COUNTY, FLORIDA, APPROVING A SITE AND DEVELOPMENT PLAN WITH APPROPRIATE CONDITIONS AND SAFEGUARDS FOR KILN, TREATMENT PLANT AND LAY DOWN YARDS USE LOCATED IN THE INDUSTRIAL ("I") ZONING DISTRICT ON CERTAIN LANDS WITHIN THE UNINCORPORATED AREA OF COLUMBIA COUNTY, FLORIDA; REPEALING RESOLUTIONS IN CONFLICT; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, Ordinance No. 98-1, as amended, entitled Columbia County Land Development Regulations, hereinafter referred to as the Land Development Regulations, empowers the Planning and Zoning Board of Columbia County, Florida, hereinafter referred to as the Planning and Zoning Board, to approve, to approve with conditions, or to deny site and development plans in accordance with the Land Development Regulations;

WHEREAS, an application for a site development plan, as described below, has been filed with the County;

WHEREAS, the Planning and Zoning Board, has determined and found that approval of said site and development plan, as described below, would promote the public health, safety, morals, order, comfort, convenience, appearance, prosperity or general welfare; and

WHEREAS, the Planning and Zoning Board, has studied and considered the items enumerated in Section 14.13 of the Land Development Regulations and based upon said study and consideration has determined and found that:

1. A site and development plan was prepared and submitted to the County in accordance with the provisions of Section 14.13.1 of the Land Development Regulations;
2. Statements on ownership and control of the development and of conditions of ownership or control, use, and permanent maintenance of common open space, common facilities, or common lands to ensure preservation of such lands and facilities for their intended purpose and to ensure that such common facilities will not become a future liability for the Board of County Commissioners are sufficient;
3. Density and/or the intended use of the proposed development with particular attention to its relationship to adjacent and nearby properties and effect on those properties and relationship to the Comprehensive Plan are in accordance with the Comprehensive Plan and Land Development Regulations;
4. Ingress and egress to the development and proposed structures on the development provide for automotive and pedestrian safety, minimization of marginal friction with free movement of traffic on adjacent streets, separation of automotive traffic and pedestrian and other traffic, traffic flow and control, provision of services and servicing of utilities and refuse collection, and access in case of fire, catastrophe, or emergency;
5. Location and relationship of off-street parking and off-street loading facilities to thoroughfares and internal traffic patterns within the proposed development, with particular reference to automotive and pedestrian safety, traffic flow and control, access in case of fire or catastrophe, and screening and landscape are adequate;

6. Proposed screens and buffers sufficiently provide for the preservation of internal and external harmony and compatibility with uses inside and outside the proposed development;
7. Manner of storm water management will not adversely affect the provisions for storm water management on adjacent and nearby properties and overall public storm water management capacities;
8. Provision for sanitary sewers is adequate in relationship to overall sanitary sewer availability and capacities;
9. Utilities, with reference to hook-in locations and availability and capacity for the uses projected are adequate;
10. Recreation facilities and open spaces, with attention to the size, location, and development of the areas as to adequacy, effect on privacy of adjacent and nearby properties and uses within the proposed development, and relationship to community open spaces and recreational facilities are adequate;
11. General amenities and convenience, with particular reference to appearance and general layout of the proposed development will be compatible and harmonious with properties in the general area and will not be in conflict with other development in the area as to cause substantial depreciation of property values; and
12. Said site and development plan conforms to all other standards imposed by the Land Development Regulations.

NOW, THEREFORE, BE IT RESOLVED BY THE PLANNING AND ZONING BOARD OF COLUMBIA COUNTY, FLORIDA, THAT:

Section 1. Pursuant to an application, SDP 23 05, an application by Kellan Bailey, North Florida Professional Services, agent for Robbins Real Estate, Inc., owner for a site and development plan approval for a proposed kiln, wood treatment plant and two (2) lay down yards in Industrial (I) Zone District in accordance with a site plan dated March 13, 2023, and submitted as part of an application dated March 13, 2023.
