Re: Lot 7 Hills of Huntsville

To Whom It May Concern:

The slab located on Lot 7 is 101.08 feet and the minimum finished floor is required to be at 99.5 feet. We established a benchmark on the top of the SW corner of Lot 7 set at 96.63 feet. All elevations shown hereon are based on NGVD 29 datum as per the plat datum.

Sincerely,

A handwritten signature in black ink, appearing to read "L. Scott Britt", is written over a faint, circular, embossed seal. The seal contains text that is mostly illegible but appears to be a professional registration seal.
