The figure consists of two diagrams illustrating the layout of a roof ridge. The left diagram is a cross-section view showing a central ridge with a width of 4". The ridge is flanked by two sloped sides, each with a width of 2". The total width of the roof is 4" + 2" + 2" = 8". The right diagram is a plan view showing a central ridge with a width of 4". The ridge is flanked by two sloped sides, each with a width of 2". The total width of the roof is 4" + 2" + 2" = 8". Both diagrams include dimensions and labels for the ridge and roof edges.
