Produced Identification \_\_\_\_\_ Type of identification produced. \_\_\_\_\_

\* Include photographs of each plane of the roof with the permit  
number clearly shown marked on the deck for each inspection.  
Place a tape measure next to the nailing pattern to show distance  
between nails.

\* Photographs must clearly show all work and have the permit  
number indicated on the roof.

\* Affidavit and Photographs must be provided when final  
inspection is requested.

\* Metal overlay & purlin installations shall have photographs of  
purlins or underlayment, whichever applies.
