Subject: Existing Driveway Verification

Dale,

I have an application for replacing an existing portable office unit on parcel 36-3s-16-02622-000. There are sheds for sale and this will be a portable office building. The property is on the southeast corner of HWY 90 and Dominos Way.

Will you let me know if they need a permit with you or is the existing drive ok at this site.

Thank you,

Laurie Hodson
