PART II - SITEPLAN

A hand-drawn site plan of a property. The plan is bounded by a north arrow pointing upwards, labeled "N". The property is divided into several sections by lines. Key features and measurements include:

- Top Boundary:** A horizontal line with a measurement of 100' on the left and 37' on the right.
- Top-Right Section:** A rectangular area with a width of 45' and a height of 8'. It contains a point labeled "BM" (Benchmark).
- Center Section:** A horizontal line with a measurement of 135' on the left. Below this line, there is a label "SLOPE" with an arrow pointing to the right.
- Right Section:** A rectangular area with a width of 66'.
- Bottom Section:** A horizontal line with a measurement of 103' on the left. Below this line, there is a label "DRIVE" with an arrow pointing to the left.
- Well:** A vertical line labeled "WELL" with a measurement of 103' from the bottom boundary to a point labeled "WL" (Wellhead).
- Other Features:** A curved line connects the top boundary to the wellhead. A small rectangular structure is located near the wellhead, with a measurement of 6' 6" indicated. Two circular features, labeled ① and ②, are located on the top boundary line.
