Good afternoon,

I apologize for the delay in response, as I'm several days behind on emails. I have attached a sub vf form. Please return to me with the new subs signature and I will update the files. Thanks! Have a great weekend!

Good afternoon, I'm not sure exactly how it works to change the electrician on a permit to a different one, but I have attached a signed sub-contractor form for the electrician we would like to switch to on the above-mentioned permits. I believe he said he was already registered with the county, if you need anything else let me know please.

Thank you,
