RE: Floor Elevation – Lot 61, Meadowlands Phase 4

This is to certify that an elevation was obtained on the floor of a building foundation under construction on the above referenced lands. The results are as follows:

FLOOR ELEVATION (Living area): 84.23 feet

The elevation was projected from a benchmark set by this Company from original design elevations for this development. The plat of the development indicates that the minimum floor elevation for Lot 61 is 83.0 feet.
