re: FOUNDATION CONSTRUCTION – CARTER CARPORT, 2855 SE CR 252, LAKE CITY, FL

Mr. Crews:

I have reviewed the attached letter provided by the contractor, Mr. Nicholas Landin with Landin Construction, LLC, and verified the constructed foundation with the project manager, Mr. Jim Brink with Reed McDaniel Construction. I am satisfied the foundation was constructed per the approved foundation design. In my professional opinion, the construction meets the minimum requirements set forth in the 2020 Florida Building Code, 7th edition.

Should you have any questions, please don't hesitate to contact me.

Respectfully,

Carol Chadwick, PE

Carter 2855 SE CR 252
Lake City, Florida

2 number 5 rebars were installed in the foundation running continuous in perimeter footing.

Sincerely yours,

Nicholas Landin
