NOTICE TO THE PUBLIC
The Florida Department of Transportation (FDOT) is currently working on a project to improve the safety and efficiency of the Paddy Street corridor. This project includes the construction of a new bridge over the Paddy Street canal, the widening of the existing bridge, and the construction of new sidewalks and bike lanes. The project is currently in progress and is expected to be completed by the end of 2024. During the construction phase, there may be some disruption to traffic and access to the Paddy Street corridor. We apologize for any inconvenience and appreciate your patience and understanding. For more information about the project, please visit the project website at [Name].
