Yes.

They have already began the process of connecting to water/wastewater.

Thanks

Good Morning Miss Hodson,

Those parcels at 13721 S US HWY 441 will have access to water and wastewater services. The County has an easement with a wastewater lift Station on one of those parcels.

Chad,

Feel free to add any comments or questions to this email

.

Thank you,

Robert Domingue

Utilities Superintendent

Robert,

An application for a building permit has been submitted to building a new Burger King in Ellisville by RMC 75 Lake, LLC located at 13721 S US HWY 441 on parcels 09572-000 and 09567-000.

I need to verify what County Utilities are available to this site. An email or letter will work for the verification.

Please let me know if you have any questions.

Thank you for your help,

*Laurie Hodson*
