OAKLEY

**North Florida Septic Inc**

## Site Evaluation Checklist

A hand-drawn map of a property, oriented with North at the top. The map shows several structures and boundaries:

- Top Boundary:** A line with a small square marker labeled "Old Black Mark". To the left, a note says "To Old Mark".
- Top Right Structure:** A rectangular building with a chimney, labeled "15' 5\" and "15' 5\". It has two small circles inside, possibly representing windows or doors.
- Center Structure:** A large rectangular building labeled "Store of goods".
- Bottom Left Structure:** A small square building labeled "Shed".
- Dimensions and Distances:**
  - A distance of "15'" is marked between the top right structure and the center structure.
  - A distance of "15'" is marked between the center structure and the shed.
  - A distance of "15'" is marked between the shed and the bottom boundary.
  - A distance of "15'" is marked between the shed and the left boundary.
  - A distance of "15'" is marked between the shed and the right boundary.
  - A distance of "15'" is marked between the shed and the bottom boundary.
  - A distance of "15'" is marked between the shed and the left boundary.
- Other Labels:**
  - "Daisy" is written near the bottom left corner.
  - "North" is written with an arrow pointing upwards.
  - "To Old Mark" is written near the top left corner.
