Good Morning Melissa,

The permit cost is \$697.88 payable to BCC or Board of County Commissioners. We still need a signed site plan   
from Environmental Health (septic) and those contractors you notified. Then we will contact Wayne so we can then issue the permit

Thanks,  
Laurie

I called Columbia county. They said all I needed to do was sign the subcontractor verification form.  
Which I did and sent on August 20th.

Larry
