Thanks Melissa.

I am trying to close a grant for the County. I will see if the State will take anything else in lieu of the certificate. I'm not sure why this one house didn't have a demolition permit outside of the crews assuming it was done with the others. This house was last to demo with the grant because the fire department wanted to use it for some type of training.

Thank you again for all your help with this.

Good afternoon,

Unfortunately, unless a permit was issued, we are unable to issue a certificate of completion. I apologize for any inconvenience this may cause you.

Melissa,

Is it possible to get a certificate of completion for 2097 SE COUNTY ROAD 252 (15-4S-17-08359-012)? I know we talked about there not being a permit for some reason but is it possible to obtain the certificate of completion anyway?

Thank you,

**Shannon C. Williams**
