POCKET PENETROMETER TEST

The pocket penetrometer tests are rounded down to 1500 psf or check here to declare 1000 lb. soil without testing.

X 1500 X 1500 X 1500

POCKET PENETROMETER TESTING METHOD

1. Test the perimeter of the home at 6 locations.
2. Take the reading at the depth of the footer.
3. Using 500 lb. increments, take the lowest reading and round down to that increment.

X 1500 X 1500 X 1500

TORQUE PROBE TEST

The results of the torque probe test is 285 inch pounds or check here if you are declaring 5' anchors without testing 275. A test showing 275 inch pounds or less will require 5 foot anchors.

Note: A state approved lateral arm system is being used and 4 ft. anchors are allowed at the sidewall locations. I understand 5 ft. anchors are required at all centerline tie points where the torque test reading is 275 or less and where the mobile home manufacturer may require anchors with 4000-lb. holding capacity.

Disaster No. 4068

Ms Jessica Milton
12906 N Us Highway 441
Lake City, FL 32055

Dear Ms Jessica Milton:

FEMA provided you the maximum amount of financial assistance by law allowed under the Individuals and Households Program, \$31,400.00. The money you received may be used to pay for your housing and other disaster related needs, including rental payments. You must keep all of your application documents and receipts for three (3) years showing how the money was used to meet your disaster-related needs. It is very important you keep these records in case FEMA or any other agency questions your eligibility or how you spent the money. You may contact the FEMA Helpline for a full explanation of the amount of financial assistance provided to you.

This letter is about assistance you requested from FEMA. Other disaster relief agencies you applied to for assistance will contact you separately, if needed.

You may visit www.disasterassistance.gov or contact the FEMA Helpline if you have difficulty finding housing resources.

If you have a Small Business Administration (SBA) loan or are in the process of obtaining one, please contact your SBA representative for loan adjustment consideration.

Visit www.disasterassistance.gov if you have any disaster related questions. You may also contact the FEMA Helpline at 1-800-621-FEMA (3362). Disaster assistance applicants, who have a speech disability or hearing loss and use a TTY, call 1-800-462-7585 directly; for those who use 711 or Video Relay Service (VRS), call 1-800-621-3362.

Ms Jessica Milton

Dear Ms Jessica Milton:

We recognize this is a difficult time for you and your family and understand many people need help following a disaster. We are committed to providing you any help we can, including important information to begin your recovery.

The Federal Emergency Management Agency (FEMA) and State of Florida have carefully considered all available information regarding your request for assistance. Our decision(s) regarding your request is explained below.

CATEGORIES

DETERMINATION

Home Repair	\$29,252.30
Medical	IOVR - Ineligible - Over Program Maximum
Rental Assistance	\$1,612.00
=====	=====
Total Grant Amount:	\$30,864.30

ER - Eligible - Rental Assistance

You have been approved to receive rental assistance from FEMA. We are providing you this assistance so that you and members of your pre-disaster household can temporarily rent a place to live. **We expect all families who receive FEMA temporary rental assistance to return to their damaged home when it is repaired or to locate and occupy affordable housing without FEMA rental assistance at the earliest possible time.**

The monthly amount of rental assistance we provided you is based on rental rates determined by FEMA and the U.S. Department of Housing and Urban Development (HUD). If you are unsure what specific days are covered by this assistance, please contact the FEMA Helpline at 1-800-621-FEMA (3362). TTY is available for persons who are hearing or speech impaired, please call 1-800-462-7585.

If you think we have not paid you the appropriate amount of rental assistance for your area, you have the right to appeal. Please send us a statement that describes the number of bedrooms occupied in your home at the time of the disaster. It is also very important that you include your current address and contact information.

FEMA will be sending you another letter soon explaining how to request additional months of rental assistance if you need it. When that letter arrives, please read it carefully and make sure you keep all receipts related to your rental

assistance.

If you have already received a total of \$31,400.00 from FEMA, you are not eligible for additional rental assistance

EHR - Eligible - Home Repairs

IOVR - Ineligible - Over Program Maximum

Our records indicate FEMA provided you the maximum amount of financial assistance for this disaster. As a result, you are not eligible to receive additional financial assistance from FEMA.

If you believe you have not received the maximum amount of assistance, \$31,400.00 you may visit our website or contact our Helpline for an explanation of the assistance provided to you. The FEMA Helpline may also be able to provide referrals to other agencies to help in your continued recovery.

If you have questions, please contact the FEMA Helpline at **1-800-621-FEMA (3362)**. Disaster assistance applicants, who have a speech disability or hearing loss and use a TTY, call 1-800-462-7585 directly; for those who use 711 or Video Relay Service (VRS), call 1-800-621-3362.

This letter is about assistance you requested from FEMA. Other disaster relief agencies you applied to for assistance will contact you separately, if needed.

If you disagree with FEMA's decision(s), you have the right to appeal. An appeal is a written request asking FEMA to review your case again. To appeal, follow these steps:

1. Carefully read this letter explaining our decision(s). FEMA's disaster assistance programs may not cover all of your losses or all damage to your home and personal property.
2. Explain in writing why you disagree with our decision and send copies of any new or additional documents supporting your appeal.
 - a. Include your FEMA Application Number and Disaster Number on all pages of your appeal documents. Both numbers are printed at the top of the first page of this letter.
 - b. All receipts, bills and estimates must include contact information for the service provider, allowing us to verify the information.
 - c. Keep all originals for your records.
