THIS FORM MUST BE SUBMITTED BEFORE A PERMIT WILL BE ISSUED

Columbia County issues combination permits. One permit will cover all trades doing work at the permitted site. The permit holder is responsible for maintaining records of the subcontractors who actually did the trade specific work under the general permit.

NOTE: It is the responsibility of the general contractor to make sure that all of the subcontractors are working under a valid permit from the Columbia County Planning Department.

Use website to confirm licenses: <http://www.columbiacountyfla.com/PermitSearch/ContractorSearch.aspx>

NOTE: If this should change prior to completion of the project, it is your responsibility to have a corrected form submitted to our office before that work has begun.

Work orders and/or fines.
