I am working on this one this morning. Anthony has been out of the office, so I haven't been able to get the blocking diagram reviewed yet. I did have another question, will the subs be changing or will they remain the same? Thanks!

HELLO SUMMER!!!!

Good afternoon,

I am processing the updated documents. However, because Dale Burd pulled the permit originally, he has to remain the applicant and we will need authorization for Dale to pull the permit on Wills behalf before moving forward. There will also be a \$30 fee that will be owed for revisions after permitting. If you have any questions, please don't hesitate to reach out. Thanks!

HAPPY 4TH OF JULY!!!
