NOTICE: Anytime the requirements of a notice become known to the building official responsible for the project, they may issue the permit, release or withdraw the permit, or require changes to the work before proceeding.							
NOTICE: Anytime the requirements of a notice become known to the building official responsible for the project, they may issue the permit, release or withdraw the permit, or require changes to the work before proceeding.							
WARNING: OWNER: YOUR FAILURE TO RECORD A NOTICE OF COMMENCEMENT MAY RESULT IN YOUR PAYING DOUBLE FOR IMPROVEMENTS TO YOUR PROPERTY. A NOTICE OF COMMENCEMENT MUST BE POSTED ON THE JOB SITE BEFORE THE FIRST INSPECTION. IF YOU INTEND TO OBTAIN FINANCING, CONSULT WITH YOUR LENDER OR ATTORNEY BEFORE RECORDING YOUR NOTICE OF COMMENCEMENT.							
NOTICE: All work is to be performed in accordance with the plans and specifications, and applicable codes of construction, and the rules and regulations of the local zoning commission. All work must be completed within 180 days from the date of issuance of the permit, unless otherwise specified.							
NOTICE: Issuance of a license or permit does not mean your property is insured or protected against damage or loss. It is recommended whether your property is eligible for coverage by the building department.							
NOTICE: Building and Safety Inspections are conducted by the Columbia County, FL Building Department. Inspections are required to be conducted at the beginning and during the completion of the work.							
NOTICE: Post this notice on the job site. Copies of the Permit and Required Notice of Commencement for inspection.							

*Une résistance may vary with surface conditions, terrain, weather and foot pitch.
La résistance peut varier de acuerdo a las condiciones de la superficie, tipo de terreno, tipo de clima y la pendiente del pie.*
