Troy,

I reviewed the application per the portal on 5/1/2025. I approved the 'connection with county roadway' portion of the permit and entered a note.

Per my entered note:
Please submit site plan information, driveway connection plan, trip generation calculations and other pertinent driveway connection information.

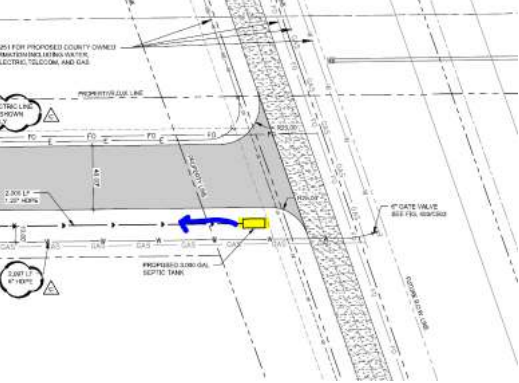

The site plan information was uploaded 5/8/2025 under the mistitled info as "proof of easement documentation" but no trip generation calcs were uploaded. THIS HAS NOT BEEN DONE as of 5/27/2025 at 8:21am

These are the current uploaded documents in the driveway/application portal:

Document Name	Date	Size
app.pdf	3/5/2024 11:15:29 AM	298.30kB
Florida GC License-exp 8.31.2026.pdf	4/22/2025 2:04:17 PM	875.94kB
Certificate - 2025-04-21T112521.132.pdf	4/22/2025 2:04:19 PM	34.61kB
Workers Compensation Policy.pdf	4/22/2025 2:04:22 PM	24.76kB
BNZ Invoice 2025-05-07.pdf	5/7/2025 9:51:01 PM	216.72kB
BNZ Invoice 2025-05-07.pdf	5/7/2025 9:51:07 PM	216.72kB
Proof of Easement Documentation 20250508 123352v1.pdf	5/8/2025 12:33:59 PM	28.94MB

I am ok with getting them their 911 address and building permit so they can start, but I need trip generation calculations to permit the connection.

I do have one comment on the plans
1. Please relocate the 3000-gallon septic tank from the proposed county right of way and place it on private property. Sheet C-208
