2) Warranty Limitations.

- a) Unlevel Installation Site Voids Warranty. Warranties shall be immediately void if the foundation is not level prior to installation. Units installed on an installation site that is not level may be installed "as is."
- b) Modification of Structure Voids Warranty. Warranties shall be immediately void if buyer alters the unit in any manner.
- c) Baseraill Leaks. CCI does not seal under the base of the unit and is not responsible for leaks under the baseraill.

3) Pricing Terms.

- a) Price Subject to Change. CCI's prices are subject to change without notice.
- b) Additional Charges.
- i) Labor Charge. Buyer will pay an additional labor charge of not less than fifty dollars (\$50.00) if the installation contractor is required to dig, level, carry installation materials further than a reasonable distance or install the unit on any wall, dock, or over any existing structure.
- ii) Service Charge. Buyer will pay a service charge of not less than two hundred dollars (\$200.00) if the installation contractor must return to install an addition to an existing unit or if unit must be re-shipped due to customer error, unlevel jobsite or other similar issue.
- iii) Taxes and Fees. Buyer agrees to pay all applicable sales or other taxes, unless exempt therefrom. Freight fees and surcharges may apply depending on location and size of order.
- iiii) Right to Correct. CCI shall have the right to correct any pricing or tax errors made by dealer. Prices for orders placed on hold will only be guaranteed for a 90 calendar day period. If an order is on hold for more than 90 days, customer will be subject to a price increase that equals CCI's current pricing at the time of delivery/installation.

4) Payment Terms.

- a) Down Payment. Buyer shall pay dealer a down payment equal to ^{15%} of the retail price at the time of the sale. Buyer shall not pay dealer an amount exceeding the down payment. In the event Buyer pays dealer an amount exceeding the down payment, Buyer does so at his own risk with the understanding that Buyer is contractually obligated to remit payment of the remaining balance of the purchase price (the "Balance") as set forth below.
- b) Balance. Buyer shall pay the balance to the installation contractor on the date of installation. Payment may be made by check or credit card. Payments made by credit card are subject to an additional fee equal to three percent (3%) of the balance paid by credit card.
- c) Excess Down Payment. If Buyer pays more than the required Down Payment at the time of the sale, CCI must receive these funds from the Dealer prior to installation or CCI will not schedule installation without payment from the Buyer.
- d) No Refunds. In the event Buyer cancels the order, Buyer shall receive no refund of the down payment.
- e) Security Interest. Buyer expressly agrees that the unit shall remain property of CCI until the purchase price under the agreement is paid in full. CCI hereby retains a purchase money security interest in the unit as set forth in Section 9 of the Uniform Commercial Code as enacted in the state where unit is being installed. Failure to pay the purchase price under the agreement will result in repossession of unit. Repossession does not relieve Buyer from liability for specific performance of the agreement.

5) Delivery and Installation: Limitation on Liability.

- a) Delayed Delivery. CCI is not responsible for changes in delivery dates caused by circumstances out of CCI's control, including but not limited to inclement weather conditions, installation contractor running behind, accidents, mechanical issues and acts of God.
- b) Buyer Responsible for Locating Underground Utilities. Buyer is responsible for informing installation contractors of any underground/overhead cables, gas lines, utility hazards, or relevant matters prior to installation. This may require Buyer to contact the utility company to request that the locations of the utilities be marked. **Buyer agrees to indemnify and hold CCI harmless for any damage done to lines, pipes, cables, or other utility instrumentalities during installation.**
- c) Buyer Responsible for Permits. Buyer shall be solely responsible for, and shall obtain, any necessary city or county permits prior to commencement of installation. **Buyer agrees to indemnify and hold CCI harmless for violation of any city or county ordinance or code.**
- d) Limitation on Liability. CCI will not be liable to Buyer for punitive, indirect, incidental, special, or consequential damages resulting from any defect or deficiencies. CCI will not be liable for any misinformation provided by dealers during the sales process.
- e) Lead Times. Lead times are for estimation purposes only. Lead times will vary based on location, size of order, orders within a certain area, weather and other factors. No lead time is guaranteed. Orders under \$5000 are considered work in orders and do not have an estimated lead time.
