To: Columbia County Building and Zoning

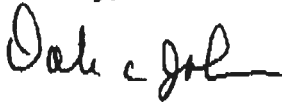

Subject: Finished floor

To whom it may concern:

The home of Elmer and Rita Nichols, 1381 SW Bedenbaugh Lane (SEC 30 T4 S R17 E) being built by Jim Norton, is below the roadway elevation. However, this land drains to the north and drops 20 or 30 feet into a large field. After reviewing the quad map and studying the property, I can make the following statement; "at this elevation no flood damage will occur".

Thanks for your help on this subject. If you have any questions, please call at 386-961-8903 or cell 386-365-3250.

Sincerely,

Dale C. Johns, P.E. #45263
