RE: Tesla Lake City

To: City of Lake City and Columbia County Development Services Department:

Please accept this as an original Letter of Authorization in which the property owner authorizes the submittal and approval of the Tesla Lake City Project. In addition, please authorize Mark Edwards, Tesla Deployment Manager, Southeast Charging Infrastructure for Tesla, Inc. to sign any Planning, Development and Building Permit Documents relating to the Proposed Tesla Electric Vehicle Charging Station located at:

14170 SUS HIGHWAY 441, LAKE CITY, FL

Please do not hesitate to contact this office with any questions.

Best Regards,

Signature of Property Owner
