RE: Floor Elevation – Love's Travel Stops Building (under construction) at Ellisville.
13700 US Highway 441, Lake City, Florida (Tax Parcels 03-6s-17-09563-001 and
03-6s-17-09562-000).

This is to certify that an elevation was obtained on the floor slab for a commercial building under construction on the above referenced lands. The results are as follows:

CONCRETE SLAB: 72.02 feet

DATUM: NAVD 1988

The elevation was projected from a Benchmark set by the Florida Department of Transportation for US Highway 441, which was used in design surveys for the subject project.
