Hello,

There should not be any paperwork needed to upload to the Building Department on our end. You are given an "X" release (#X22-044)(X=no septic=no paperwork). Give the Building Department a call at 386-758-1058 and let them know this number, and you should be all good to proceed with them. I have copied the Office Manager of the Building Department on this email as well (and if she does by chance need anything, she can contact me directly).

Thanks,

Sallie A. Ford
