1. A large group of persons, particularly persons of foreign birth, who are in the United States for the purpose of obtaining citizenship, are known as "aliens." Aliens are of two classes: (1) "naturalized citizens," and (2) "foreign-born citizens." Naturalized citizens are those who have been born in a foreign country and have since become citizens of the United States. Foreign-born citizens are those who have been born in the United States and have since become citizens of the United States. Aliens are of two classes: (1) "naturalized citizens," and (2) "foreign-born citizens." Naturalized citizens are those who have been born in a foreign country and have since become citizens of the United States. Foreign-born citizens are those who have been born in the United States and have since become citizens of the United States.

1. ☐ **Do you agree with the fact that**
 2. ☐ **the world is becoming more and more**
 3. ☐ **globalized every day?**
 4. ☐ **Yes, because of the increasing number of**
 5. ☐ **international trade and the growing**
 6. ☐ **dependence on each other.**
 7. ☐ **No, because the world is still divided**
 8. ☐ **into different regions and countries.**
 9. ☐ **Yes, but only in some aspects.**
 10. ☐ **No, because the world is still very**
 11. ☐ **diverse and complex.**
