To Whom It May Concern:
I am requesting renewal of the building permit listed below, which has expired under the provisions of the Florida Building Code. I am aware that this request is subject to review and approval by the Building Department, and that additional documentation, fees, or inspections may be required.

Reason for delay/justification for Renewal Request
Father got sick. Then I got hurt - 30 stitches in foot. Then father fell and broke his hip. Father passed away.

Permit Time Limit (FS 563.79)
Pursuant to Florida Statutes 563.79 and the Florida Building Code, a permit shall expire if:
• Work has not commenced within 180 days of issuance.
• Work has been suspended or abandoned for 180 days after commencement, or
• No passed inspection has occurred within 180 days.

*An expired permit may be eligible for renewal provided no substantial changes have occurred and the project remains compliant with current codes.

Renewal Fee Calculation
Fees are based on the percentage of inspections completed before the permit expired:
• **No Inspections Completed:** 100% of original permit fee
• **1/2 Inspections Completed:** 75% of original permit fee
• **3/4 Inspections Completed:** 50% of original permit fee
• **Minimum Fee:** \$100.00
