- h. Requirements upon expiration of permit. Unless extended as herein provided, once a permit expires the mobile home shall be removed from the property within six (6) months of the date of expiration.

The property owner may apply for one or more extensions for up to two (2) years by submitting a new application, appropriate fees and family relationship residence affidavit agreement to be approved by the Land Development Regulations Administrator.

No permit shall be valid for more than thirty (30) days within a twelve (12) month period, and the mobile unit must not remain on site more than seven (7) consecutive days. Once the unit is moved off-site, it must be off-site for six (6) consecutive days.
