

An aerial photograph showing a large, rectangular area enclosed by a light-colored wooden fence. The ground inside the fence is mostly bare, sandy soil with some sparse green grass. In the foreground, the dark, shingled roof of a house is visible, with a small, square, dark-roofed structure (possibly a chimney or vent) protruding from it. The background shows a line of tall, thin trees and a grassy area. A blue text box is overlaid on the image, containing the text "Storage Building 30W x 25L".

Storage Building
