

Permit # 50381

A photograph showing a long, light-colored wooden plank lying horizontally across a dark grey asphalt shingle roof. The plank has a natural wood grain with several knots and some minor staining. To the left of the plank, a metal gutter runs parallel to the roof edge. Beyond the gutter, there is a green lawn and some dark foliage. A green garden hose is coiled on the roof to the right of the plank. The text 'Permit # 50381' is printed in black, sans-serif font in the lower-left area of the plank.
