Your Price: \$9,307.43

Description	Qty	Price
Re-Pipe Estimate to install new pex water piping to all fixtures in the home. Three hose bibs, two toilets, two lavatory's, one shower, one tub/shower, one kitchen sink, one water heater, one laundry box and one well tank. All water piping will be strapped and insulated and installed in the attic area. New shower valves with trim in the master and hall bathrooms. Each fixture will have new supply lines and shut off valves. Square holes will need to be opened in the drywall behind each fixture in the hall bathroom and master bathroom. Repair plate will be installed on the master bathroom shower valve. Barrs plumbing is not responsible for any drywall repairs.	1	\$9,307.43

Your Price **\$9,307.43**

Customer Approval:

☐ I accept this proposal and agree to the terms and conditions.

Contract Terms:

I have the authority to order the above work, and do so order as outlined above. I understand that full payment is due today after the work is complete. It is agreed that the seller will retain title to any equipment or material furnished until final and complete payment is made, and if settlement is not made as agreed, the seller will be held harmless for any damages resulting from the removal thereof. If payment is not received, a late fee of \$25 will be assessed along with a 1.5% interest rate per month. I also consent to pay any and all reasonable fees and costs associated with the collection of any outstanding balance.
