

APPLICATION # 53144

SUBCONTRACTOR VERIFICATION

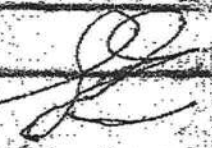

THIS FORM MUST BE SUBMITTED BEFORE A PERMIT WILL BE ISSUED

Columbia County issues combination permits. One permit will cover all trades doing work at the permitted site. It is the responsibility of the permit holder to ensure that all trades doing work at the permitted site are properly licensed. We have records of the subcontractors who actually did the trade specific work under the permit.

NOTE: It shall be the responsibility of the general contractor to make sure that all of the subcontractors are licensed. The contractor shall verify the license status of all subcontractors by visiting the website to confirm licenses: <http://www.columbiacountyfla.com/PermitSearch/ContractorSearch.aspx>

NOTE: If this should change prior to completion of the project, it is your responsibility to have a corrected form submitted to our office, before that work has begun.

Violations will result in stop work orders and/or fines.
