- (2) Construction Drawings
- (2) Structural Analysis

*This is an application for modification to an existing site. Under Section 6409 of the Spectrum Act (47 U.S.C. § 1455(a), 47 C.F.R. § 1.6100), this modification qualifies as an eligible facilities request for streamlined review as it meets the following criteria:*

- *It is an existing wireless facility.*
- *The proposed modification:*
  - *Does not propose an increase in height by more than the greater of 10% or the height of an additional antenna array plus up to 20' of separation from the top of the nearest existing antenna*
  - *Does not involve any new excavation of more than 30' in any direction of the existing site*
  - *Does not propose more than 4 new equipment cabinets*
  - *Does not defeat the concealment elements of the eligible support structure*
  - *Does not violate conditions associated with the prior approval of the tower*

Please feel free to contact me with any questions.

Sincerely,

Sierra Sinnock
