Troy,  
According to Dispatch their was a structure fire at that address on June 25, 2012. The City responded as well as the County. There is still no record of a County Fire Report so perhaps the City has one.

Jeff I am trying to do a remodel permit on this house that had a fire approximately 2012 Mr. Sader contacted fire dept. in the past and could not obtain fire report. Could you check on this and see if you can find one so we won't have to charge him for a permit thank you.
