RE: Dell Powerstore Maintenance

During the preparation of the 2025–2026 budget, I inadvertently omitted the renewal request for maintenance on our Dell PowerStore appliances. These storage systems house all server and database data for Columbia County Information Technology Systems and are essential to daily business operations.

Given the complexity of their configuration and the need for timely access to replacement parts, I am requesting that the attached maintenance contract in the amount of \$45,210.10 be included in the 2025–2026 FY budget. I apologize for any inconvenience this oversight may have caused.

Please see the attached quote for the maintenance renewal, and let me know if you have any questions or need additional information.

BOARD MEETS FIRST AND THIRD THURSDAY AT 5:30 P.M.
