NOTICE TO CUSTOMERS

Pursuant to Section 367.081(4)(a), Florida Statutes, water and wastewater utilities are permitted to adjust the rates and charges to its customers without those customers bearing the additional expense of a public hearing. These adjustments in rates would depend on increases or decreases in noncontrollable expenses subject to inflationary pressures such as chemicals, and other general operation and maintenance costs.

On April 6, 2021 filed its notice of intention with Columbia County to increase water rates in Columbia County pursuant to this Statute. The filing is subject to review by the Staff for accuracy and completeness. Water rates will increase by approximately 1.55%. These rates should be reflected for service rendered on or after June 6, 2021.
