RE: Rum Island Park Kiosk

After some lengthy searching I was able to obtain three quotes for a parking kiosk that meets our needs at the Rum Island park. VenTek, ParkingBoxx and Flash all met our needs with Parking Boxx coming in as the least expensive.

Equipment cost and installation total is **\$24,387.00** and there is a **\$200.00** per month software licensing agreement. I recommend we move forward and contract with ParkingBoxx to purchase the equipment and installation. I have attached the quote for your review.

If you have any questions, please let me know.
