**GRANT AGREEMENT
BETWEEN
DEPARTMENT OF FINANCIAL SERVICES
AND
COLUMBIA COUNTY BOARD OF COUNTY COMMISSIONERS**

THIS GRANT AGREEMENT (Agreement) is made and entered into by and between the Department of Financial Services (Department), an agency of the state of Florida (State), and Columbia County Board of County Commissioners (Grantee), and is effective as of the date last signed. The Department and the Grantee are sometimes referred to herein individually as a “Party” or collectively as the “Parties.”

THIS AGREEMENT IS ENTERED INTO BASED ON THE FOLLOWING REPRESENTATIONS:

WHEREAS, the Florida Legislature created the Firefighter Assistance Grant Program within the Division of State Fire Marshal (Division) to improve the emergency response capability of volunteer fire departments and combination fire departments by providing financial assistance to improve firefighter safety and enable such fire departments to provide firefighting, emergency medical, and rescue services to their communities;

WHEREAS, the Division is to administer the program and annually award grants to volunteer fire departments and combination fire departments using the annual Florida Fire Service Needs Assessment Survey;

WHEREAS, the purpose of the grants is to provide funding to such fire departments to use to provide volunteer firefighter training and procure necessary firefighter personal protective equipment, self-contained breathing apparatus equipment, and fire engine pumper apparatus equipment;

WHEREAS, the Florida Legislature has appropriated funds for the 2022-2023 State fiscal year to the Department to implement section 633.135, F.S., for the specific purposes stated therein, and the Department has the authority to grant these funds to the Grantee upon the terms and conditions set forth herein and in Rule 69A-37.502, Florida Administrative Code (F.A.C.); and

WHEREAS, the Grantee represents that it is fully qualified and eligible to receive these grant funds and will use them for the purposes identified herein.

NOW, THEREFORE, the Department and the Grantee do mutually agree as follows:

1. Performance Requirements:

The Grantee shall perform the tasks specified herein in accordance with the terms and conditions of this Agreement, including its attachments, addenda, and exhibits, which are incorporated by reference herein. The performance requirements are more specifically described in Attachment 2, Statement of Work (SOW). The definitions of terms and acronyms in the SOW will apply herein, unless otherwise defined in this Agreement.

2. Compliance with Laws, Rules, Regulations, and Policies:

The Grantee shall comply with the applicable state and federal laws, rules, regulations, and policies including, but not limited to, those identified in this Agreement.

3. **Agreement Duration:**

The term of this Agreement begins on the date the Agreement is last signed (effective date) and ends on the last day of the state's fiscal year in which the grant was awarded. The Department shall not be obligated to pay for costs incurred by the Grantee related to this Agreement prior to this Agreement's effective date or after its ending date. The term of this Agreement may not be extended or renewed.

4. **Payment and Funding Considerations:**

4.1. Funding: This Agreement is a cost-reimbursement agreement, not to exceed the amount of funds stated in Attachment 1, Specific Grant Awards. Such funds shall be paid by the Department in consideration for the Grantee's performance of the requirements as set forth by the terms and conditions of this Agreement. Pursuant to section 287.0582, F.S., for any agreement binding the State or the Department for a period in excess of one State fiscal year, the State's and the Department's performance and obligation to pay under that agreement are contingent upon an annual appropriation by the Legislature.

4.2. Payment Process: Subject to the terms and conditions established by this Agreement, the pricing method per deliverable established in the SOW, and the billing procedures established by the Department, the Department agrees to pay the Grantee in accordance with section 215.422, F.S., for its performance under this Agreement, as described in the SOW. The applicable interest rate can be obtained at: <http://www.myfloridacfo.com/Division/AA/Vendors/default.htm>.

4.3. Grantee Rights: A Vendor Ombudsman has been established within the Department. The duties of the Vendor Ombudsman include acting as an advocate for grantees who may be experiencing problems in obtaining timely payment(s) from a state agency. The Vendor Ombudsman may be reached at (850) 413-5516.

4.4. Taxes: The Department is exempted from the payment of State sales and use tax and Federal Excise Tax. Unless otherwise provided by law, the Grantee shall not be exempt from paying State sales and use tax to the appropriate governmental agencies, nor shall the Grantee be exempted from paying its suppliers for any taxes on materials used to fulfill its contractual obligations under this Agreement. The Grantee shall not use the Department's exemption number in securing such materials. The Grantee shall be responsible and liable for the payment of all its FICA/Social Security and other taxes resulting from this Agreement. The Grantee shall provide the Department its taxpayer identification number upon request.

4.5. Invoicing and Acceptance: All charges for performance under this Agreement or for reimbursement of expenses authorized by the Department shall be submitted to the Department in sufficient detail for a proper pre-audit and post-audit to be performed. The Grantee must submit invoices in accordance with the time requirements specified in the SOW. The Department will reimburse the Grantee for the performance required by the Agreement and any authorized expenses only upon the timely and satisfactory completion of the applicable performance and compliance requirements of the SOW. Payment for the deliverables is conditioned upon written acceptance by the Department's designated contract manager (Contract Manager) identified in Section 34, below. If the Department determines that circumstances warrant, the Department may accept partial performance and make partial payments for partial performance.

5. **Expenditures:**

All expenditures must be in compliance with the laws, rules, and regulations applicable to expenditures of State funds, including, but not limited to the State's Reference Guide for State Expenditures. The Grantee shall submit invoices for performance or expenses in accordance with the requirements of this reference guide, which can be obtained at: referenceguideforstateexpenditures4a8dd8e7f6fd4eae3eb12363d341f74.pdf (myfloridacfo.com)

For purposes of clause (2), "gratuity" means any payment of more than nominal monetary value in the form of cash, travel, entertainment, gifts, meals, lodging, loans, subscriptions, advances, deposits of money, services, employment, or contracts of any kind. Upon request of the Department's Inspector General, or other authorized State official, the Grantee shall provide any type of information the Inspector General deems relevant to the Grantee's integrity or responsibility. - 6.5. Sponsorship:** As required by section 286.25, F.S., if the Grantee is a nongovernmental organization which sponsors a program that is financed wholly or in part by State funds, including any funds obtained through this Agreement, it shall, in publicizing, advertising, or describing the sponsorship of the program, state: "Sponsored by (Grantee's name) and the State of Florida, Department of Financial Services." shall apply the applicable criteria stated in the SOW to determine satisfactory completion of each deliverable).

- 8.3. If the Grantee fails to meet the minimum level of service specified in the SOW, the Department shall apply the financial consequences for such failure as specified herein.
- 8.4. The Grantee may only expend funding under this Agreement for allowable costs resulting from obligations incurred during the term of this Agreement.
- 8.5. The Grantee shall refund to the Department any balance of unobligated funds that was advanced or paid to the Grantee.
- 8.6. The Grantee shall refund to the Department all funds paid in excess of the amount to which the Grantee is entitled under the terms and conditions of this Agreement.

9. Advance Payments: If authorized by sections 215.422(15) or 216.181(16), F.S., and approved in writing by the Department, the Grantee may be provided an advance as part of this Agreement.

10. Final Invoice: The Grantee shall submit its final invoice to the Department no later than thirty (30) calendar days after the Agreement ends or, in the case of termination, when this Agreement is terminated. If the Grantee fails to do so, the Department may, at its sole discretion, refuse to honor any request submitted by the Grantee after this time period and may consider the Grantee to have forfeited any and all rights to payment under this Agreement.

11. Return or Recoupment of Funds:

- 11.1. If the Grantee or its independent auditor, if applicable, discovers that an overpayment has been made, the Grantee shall repay said overpayment within forty (40) calendar days of notification of discovery without prior notification from the Department. If the Department first discovers an overpayment has been made, the Department will notify the Grantee in writing. Should repayment not be made in a timely manner, the Department shall be entitled to charge interest at the lawful rate of interest on the outstanding balance beginning forty (40) calendar days after the date of notification or discovery. A check for the amount due should be sent to the Department's Contract Manager and made payable to the "Department of Financial Services."
- 11.2. Notwithstanding the damages limitations of Section 29, if the Grantee's non-compliance with any provision of this Agreement results in additional costs or monetary loss to the Department or the State, the Department may recoup the costs or losses from monies owed to the Grantee under this Agreement or any other Agreement between the Grantee and any State entity. If additional costs or losses are discovered when no monies are available under this Agreement or any other Agreement between the Grantee and any State entity, the Grantee shall repay such costs or losses to the Department within thirty (30) calendar days of the date of discovery or notification, unless the Department agrees, in writing, to an alternative timeframe.

12. Audits and Records:

- 12.3. The Grantee shall comply with all applicable requirements of section 215.97, F.S., and Attachment 3, Audit Requirements for Awards of State and Federal Financial Assistance. If the Grantee is required to undergo an audit, the Grantee shall disclose all related-party transactions to the auditor.

- 12.4.** The Grantee shall retain all the Grantee records, financial records, supporting documents, statistical records, and any other documents, including electronic storage media, pertinent to this Agreement in accordance with the record retention requirements of Part V of Attachment 3, Audit Requirements for Awards of State and Federal Financial Assistance, or the period required by the General Records Schedule maintained by the Florida Department of State (available at: <https://dos.myflorida.com/media/703328/gsl-sl-2020.pdf>), whichever is longer. The Grantee shall cooperate with the Department to facilitate the duplication and transfer of such records or documents upon the Department's request. If the Grantee is required to comply with section 119.0701, F.S., then compliance with the retention of records in accordance with section 119.0701(2)(b)4., F.S., will fulfill the above stated requirement. If the Grantee's record retention requirements terminate prior to the requirements stated herein, the Grantee may meet the Department's record retention requirements for the Agreement by transferring its records to the Department at that time, and by destroying duplicate records in accordance with section 501.171, F.S., and, if applicable, section 119.0701, F.S. The Grantee shall adhere to established information destruction standards such as those established by the National Institute of Standards and Technology Special Publication 800-88, "Guidelines for Media Sanitization" (2014) (available at: <https://nvlpubs.nist.gov/nistpubs/SpecialPublications/NIST.SP.800-88r1.pdf>).
- 12.5.** The Grantee shall include the aforementioned audit and record-keeping requirements in all approved subgrantee agreements and assignments.
- 12.6.** The Grantee agrees to reimburse the State for the reasonable costs of investigation incurred by the Department's Inspector General or other authorized state official for investigations of the Grantee's compliance with the terms of this Agreement or any other agreement between the Grantee and the State which results in the suspension or debarment of the Grantee. Such costs include, but they are not limited to, salaries of investigators, including overtime; travel and lodging expenses; and expert witness and documentary fees. The Grantee shall not be responsible for any costs of investigations that do not result in the Grantee's suspension or debarment.
- 12.7.** The Grantee understands its duty, pursuant to section 20.055(5), F.S., to cooperate with the Department's Inspector General in any investigation, audit, inspection, review, or hearing. The Grantee shall comply with this duty and ensure that its contracts issued under this Agreement, if any, impose this requirement, in writing, on its contractors.
- 13. Public Records:** The Grantee shall comply with the applicable requirements of Addendum A, Public Records Requirements, which is incorporated by reference herein. All references to "Contractor" within Addendum A shall refer to "Grantee." All references to "Contract" within Addendum A shall refer to "Agreement."
- 14. Assignments, Subgrants, and Contracts:**
- 14.1.** Unless otherwise specified in the SOW, or through prior written approval of the Department, the Grantee may not: 1) subgrant any of the funds provided to the Grantee by the Department under this Agreement; 2) contract its duties or responsibilities under this Agreement out to a third party; or 3) assign any of the Grantee's rights or responsibilities hereunder, unless specifically permitted by law to do so. Any such subgrant, contract, or assignment occurring without the prior written consent of the Department will be null and void. If the Department approves the transfer of any of the Grantee's obligations under this Agreement, the Grantee remains responsible for all work performed and all expenses incurred in connection with the Agreement. In addition, this Agreement will bind the successors, assigns, and legal representatives of the Grantee, and of any legal entity that succeeds the Grantee, to the Grantee's obligations to the Department.
- 14.2.** The Grantee agrees to be responsible for all work performed and all expenses incurred in fulfilling the obligations of this Agreement. If the Department permits the Grantee to contract all or part of the work contemplated under this Agreement, including entering into contracts with vendors for services, it is understood by the Grantee that all such contract arrangements must be evidenced by

a written document containing all provisions necessary to ensure the contractor's compliance with applicable state and federal laws. The Grantee further agrees that the Department shall not be liable to the contractor for any expenses or liabilities incurred under the contract and that the Grantee shall be solely liable to the contractor for all expenses and liabilities incurred under the contract. The Grantee, at its expense, will defend the Department against such claims.

14.3. The Grantee agrees that the Department may assign or transfer the Department's rights, duties, or obligations under this Agreement to another governmental entity upon giving prior written notice to the Grantee.

14.4. The Grantee agrees to make payments to its subgrantees and contractors, if any, within seven (7) business days after receipt of full or partial payments from the Department in accordance with section 287.0585, F.S., unless otherwise stated in the agreement(s) between the Grantee and the contractor(s). Unless the Grantee and the subgrantee(s) or contractor(s) contract for an alternate payment schedule, the Grantee's failure to pay its subgrantees or contractors, if any, within seven (7) business days will result in a statutory penalty charged against the Grantee and paid to the subgrantee or contractor in the amount of one-half of one (1) percent of the amount due per day from the expiration of the period allowed herein for payment. Such statutory penalty will be in addition to actual payments owed and will not exceed fifteen (15) percent of the outstanding balance due.

15. MyFloridaMarketPlace: Disbursements under this Agreement are disbursements of State financial assistance to a recipient as defined in the Florida Single Audit Act, section 215.97, F.S., and are exempt from the MyFloridaMarketPlace Transaction Fee pursuant to Rule 60A-1.031(3)(i), F.A.C. Payments will be made according to the SOW and not through the MyFloridaMarketPlace system.

16. Nonexpendable Property:

16.1. For the requirements of this Section of the Agreement, "nonexpendable property" is the same as "property" as defined in section 273.02, F.S. (equipment, fixtures, and other tangible personal property of a non-consumable and nonexpendable nature).

16.2. The Grantee shall have ownership of all PPE, SCBA, or pumper fire apparatus purchased under this Agreement. All nonexpendable property purchased under this Agreement must be listed on the property records of the Grantee in accordance with the requirements of Rule 69I-72.002, F.A.C. For the purposes of section 273.03, F.S., the Grantee is the custodian of all nonexpendable property and shall be primarily responsible for the supervision, control, and disposition of the property in his or her custody (but may delegate its use and immediate control to a person under his or her supervision and may require custody receipts). The Grantee must submit an inventory report to the Department with the final expenditure report and inventory annually and maintain accounting records for all nonexpendable property purchased under the Agreement. The records must include information necessary to identify the property, which at a minimum, must include the following: property tag identification number; description of the item(s); if a group of items, the number and description of the components; physical location; name, make or manufacturer; year and/or model; manufacturer's serial number(s); if an automobile, the vehicle identification number and title certificate number; date of acquisition; cost or value at date of acquisition; date last inventoried; and the current condition of the item.

16.3. PPE and SCBA property must not be relocated, distributed, gifted, or loaned to any other fire service provider, agency, or individual. At no time shall the Grantee dispose of nonexpendable property purchased under this Agreement without the prior written permission of, and in accordance with instructions from, the Department. In addition to its plain meaning, "dispose of" includes selling, exchanging, transferring, distributing, gifting, and loaning. If the Grantee proposes to dispose of the nonexpendable property, or take any other action that will impact its ownership of the property or modify the use of the property other than for the purposes stated

herein, the Department shall have the right, in its sole discretion, to demand that the Grantee reimburse the Department the fair market value of the impacted nonexpendable property.

- 16.4.** The Grantee is responsible for any loss, damage, or theft of, and any loss, damage or injury caused by the use of, nonexpendable property purchased with State funds and held in its possession for use in accordance with this Agreement. The Grantee shall immediately notify the Department, in writing, upon discovery of any property loss with the date and reason(s) for the loss.
- 16.5.** The Grantee is responsible for the correct use of all nonexpendable property obtained using funds provided by this Agreement and for the implementation of adequate maintenance procedures to keep the nonexpendable property in good operating condition.
- 16.6.** PPE shall only be assigned to firefighters that are on the roster of the Grantee and recorded in the Division's online electronic database. SCBA property may be shared to facilitate all-hazard responses with other fire service providers during emergency responses.
- 16.7.** The pumper fire apparatus shall not be relocated, distributed, gifted, or loaned to any other fire service provider, agency, or individual. The pumper fire apparatus shall not be modified by any means without the prior written approval of the Department. If the Grantee has received a grant to replace an unsafe fire apparatus, the Grantee is required to permanently remove the replaced vehicle from its vehicle inventory until deemed to be safe for operation by a certified Emergency Vehicle Technician. The Grantee shall not gift, sell, or transfer the unsafe fire apparatus to any other fire service provider.

17. Disposition of Property:

The Grantee shall provide advance written notification to the Department, if during the five (5) year period following the termination of this Agreement or the depreciable life of the nonexpendable property (determined by the depreciation schedule in use by the Grantee) purchased under this Agreement, whichever period is shorter, the Grantee proposes to dispose of or take any other action that will impact its ownership of the nonexpendable property or modify the use of the nonexpendable property from the purposes authorized herein. If any of these situations arise, the Department shall have the right, in its sole discretion, to demand that the Grantee immediately reimburse the Department the fair market value of the impacted nonexpendable property valued at the time of disposition or modified use.

Adequate insurance coverage is a material obligation of the Grantee, and the failure to maintain such coverage may void the Agreement. The limits of coverage under each policy maintained by the Grantee shall not be interpreted as limiting the Grantee's liability and obligations under this Agreement. All insurance policies must be through insurers authorized to write policies in the State. Specific insurance requirements, if any, are listed in the SOW.
- 20.2.** The Department shall be exempt from, and in no way liable for, any sums of money representing a deductible in any insurance policy. The payment of such deductible will be the sole responsibility of the Grantee.

23. Nothing in this Agreement is intended to or will be deemed to constitute a partnership or joint venture between the Parties.

23.1. Unless the Grantee is a State agency, the Grantee (and its officers, agents, employees, subrecipients, contractors, or assignees), in performance of this Agreement, shall act in the capacity of an independent contractor and not as an officer, employee, or agent of the State. Further, unless specifically authorized to do so, the Grantee shall not represent to others that, as the Grantee, it has the authority to bind the Department or the State.

23.2. Unless the Grantee is a State agency, neither the Grantee nor its officers, agents, employees, subrecipients, contractors, or assignees, are entitled to State retirement or State leave benefits, or to any other compensation of State employment as a result of performing the duties and obligations of this Agreement.

23.3. The Grantee agrees to take such actions as may be necessary to ensure that each subrecipient or contractor will also be deemed to be an independent contractor and will not be considered or permitted to be in a joint venture with the State, nor an agent, servant, or partner of the State as a result of this Agreement.

23.4. Unless agreed to by the Department in the SOW, the Department will not furnish services of support (e.g., office space, office supplies, telephone service, secretarial, clerical support, etc.) to the Grantee, its subrecipient, contractor, or assignee.

23.5. The Department shall not be responsible for withholding taxes with respect to the Grantee's compensation hereunder. The Grantee shall have no claim against the Department for vacation pay, sick leave, retirement benefits, social security, workers' compensation, health or disability benefits, reemployment assistance benefits, or employee benefits of any kind. The Grantee shall ensure that its employees, subrecipients, contractors, and other agents, receive all legally required benefits and insurance coverage from an employer other than the State.

23.6. At all times during the Agreement period, the Grantee must comply with the reporting and Reemployment Assistance contribution payment requirements of chapter 443, F.S.

24. Electronic Funds Transfer: The Grantee agrees to enroll in Electronic Funds Transfer (EFT), offered by the State's Chief Financial Officer within thirty (30) calendar days of the date the last Party signed this Agreement. Copies of the authorization form and a sample blank enrollment letter can be found at: <http://www.myfloridacfo.com/Division/AA/Vendors/>.

Questions should be directed to the EFT Section at (850) 413-5517. Once enrolled, invoice payments will be made by EFT.

25. Entire Agreement: This Agreement consists of all documents listed in the order of precedence below, each of which is incorporated into, and is an integral part of, the Agreement, and together they embody the entire Agreement. This Agreement supersedes all previous oral or written communications, representations, or agreements on this subject. Any conflicts among these documents will be resolved in accordance with the following order of precedence:

- i. Attachment 1, Specific Grant Awards;
- ii. Attachment 2, Statement of Work;
- iii. This Agreement;

- iv. Attachment 3, Audit Requirements for Awards of State and Federal Financial Assistance (with its Exhibit 1); and
- v. Addendum A, Public Records Requirements.
- vi. Attachment 4, Index of Applicable Laws and Regulations.

26. Time is of the Essence: Time is of the essence regarding the performance requirements set forth in this Agreement. The Grantee is obligated to timely complete the deliverables under this Agreement and to comply with all other deadlines necessary to perform the Agreement which include, but are not limited to, attendance of meetings or submittal of reports.

27. Termination:

27.1. Termination Due to the Lack of Funds: If funds become unavailable for the Agreement's purpose, such event will not constitute a default by the Department or the State. The Department agrees to notify the Grantee in writing at the earliest possible time if funds are no longer available. If funds become unavailable, including if any State funds upon which this Agreement depends are withdrawn or redirected, the Department may terminate this Agreement by providing written notice to the Grantee. The Department shall be the final authority as to the availability of funds and will not reallocate funds earmarked for this Agreement to another program thus causing "lack of funds."

27.2. Termination for Cause: The Department may terminate this Agreement if the Grantee fails to: (1) satisfactorily complete the deliverables within the time specified in the Agreement; (2) maintain adequate progress, thus endangering performance of the Agreement; (3) honor any term of the Agreement; or (4) abide by any statutory, regulatory, or licensing requirement. Rule 60A-1.006(3), F.A.C., governs the procedure and consequences of default. The Grantee shall continue to perform any work not terminated. The Department's rights and remedies in this clause are in addition to any other rights and remedies provided by law or under the Agreement. The Grantee shall not be entitled to recover any cancellation charges or lost profits. Upon termination, the Department may require that the Grantee return to the Department any funds that were used for ineligible purposes under the Agreement or applicable program laws, rules, and regulations governing the use of funds under the Agreement.

27.3. Termination for Convenience: The Department may terminate this Agreement, in whole or in part, by providing written notice to the Grantee that the Department determined, in its sole discretion, it is in the State's interest to do so. The Grantee shall cease performance upon receipt of the Department's notice of termination, except as necessary to complete the continued portion of the Agreement, if any. The Grantee shall not be entitled to recover any cancellation charges or lost profits.

28. Dispute Resolution: Unless otherwise stated in the SOW, the Department shall decide disputes concerning the performance under the Agreement, reduce the decision to writing, and serve a copy on the Grantee. If a Party is dissatisfied with the dispute resolution decision, jurisdiction for any dispute arising under the terms of the Agreement will be in the State courts, and the venue will be in the Second Judicial Circuit, in and for Leon County. Except as otherwise provided by law, the Parties agree to be responsible for their own costs and attorneys' fees incurred in connection with disputes arising under the terms of the Agreement.

29. Indemnification:

29.1. The Grantee shall be fully liable for the actions of its agents, employees, partners, subrecipients, or contractors and shall fully indemnify, defend, and hold harmless the State and the Department, and their officers, agents, and employees, from suits, actions, damages, and costs of every name and description, arising from or relating to personal injury and damage to real or personal tangible property alleged to be caused in whole or in part by the Grantee, its agents, employees, partners, subrecipients, or contractors, provided, however, that the Grantee shall not indemnify for that

portion of any loss or damages proximately caused by the negligent act or omission of the State or the Department.

- 29.2.** Further, the Grantee shall fully indemnify, defend, and hold harmless the State and the Department from any suits, actions, damages, and costs of every name and description, including attorneys' fees, arising from or relating to a violation or infringement of a trademark, copyright, patent, trade secret or intellectual property right, provided, however, that the foregoing obligation will not apply to the Department's misuse or modification of the Grantee's products or the Department's operation or use of the Grantee's products in a manner not contemplated by the Agreement. If any product is the subject of an infringement suit, or in the Grantee's opinion is likely to become the subject of such suit, the Grantee may at its sole expense procure for the Department the right to continue using the product or to modify it to become non-infringing. If the Grantee is not reasonably able to modify or otherwise secure for the Department the right to continue using the product, the Grantee shall remove the product and refund the Department the amounts paid in excess of a reasonable rental for past use. The Department shall not be liable for any royalties.
- 29.3.** The Grantee's obligations under the preceding two paragraphs with respect to any legal action are contingent upon the State or the Department giving the Grantee: (1) written notice of any action or threatened action, (2) the opportunity to take over and settle or defend any such action at the Grantee's sole expense, and (3) assistance in defending the action at the Grantee's sole expense. The Grantee shall not be liable for any cost, expense, or compromise incurred or made by the State or the Department in any legal action without the Grantee's prior written consent, which will not be unreasonably withheld.

NOTE: For the avoidance of doubt, if the Grantee is a State agency or subdivision, as defined in section 768.28(2), F.S., pursuant to section 768.28(19), F.S., neither Party indemnifies nor insures or assumes any liability to the other Party for the other Party's negligence.

- 30. Force Majeure and Notice of Delay from Force Majeure:** Neither Party shall be liable to the other for any delay or failure to perform under this Agreement if such delay or failure is neither the fault nor caused by the negligence of the Party or its employees or agents and the delay is due directly to acts of God, wars, acts of public enemies, strikes, fires, floods, or other similar cause wholly beyond the Party's control, or for any of the foregoing that affects subrecipients, contractors, or suppliers if no alternate source of supply is available. However, if a delay arises from the foregoing causes, the Party shall take all reasonable measures to mitigate all resulting delay or disruption in accordance with the Party's performance requirements under this Agreement. If the Grantee believes any delay is excusable under this Section, the Grantee shall provide written notice to the Department describing the delay or potential delay and the cause of the delay within five (5) calendar days after the Grantee first had reason to believe that a delay could result if the Grantee could reasonably foresee that a delay could result or within ten (10) calendar days after the Grantee first learned of the delay if the delay is not reasonably foreseeable. Providing notice in strict accordance with this paragraph is a condition precedent to such remedy. The Department, in its sole discretion, will determine if the delay is excusable under this Section and will notify the Grantee of its decision in writing. If an extension is legally permissible, and if one will be granted, the Department's notice will state the extension period. **THE FOREGOING CONSTITUTES THE GRANTEE'S SOLE REMEDY OR EXCUSE WITH RESPECT TO DELAY.** The Grantee shall not assert a claim for damages against the Department and shall not be entitled to an increase in this Agreement price or payment of any kind from the Department for any reason. If performance is suspended or delayed, in whole or in part, due to any of the causes described in this Section, after the causes have ceased to exist, the Grantee shall resume performance, unless the Department determines, in its sole discretion, that the delay will significantly impair the ability of the Grantee to timely complete its obligations under this Agreement, in which case the Department may terminate the Agreement in whole or in part.

31. Severability: If any provision of this Agreement, in whole or in part, is held to be void or unenforceable by a court of competent jurisdiction, that provision shall be enforced only to the extent that it is not in violation of law or is not otherwise unenforceable, and all other provisions remain in full force and effect.

32. Survival: Any right or obligation of the Parties in the Agreement, which, by its express terms or nature and context, is intended to survive termination or expiration of the Agreement, will survive any such termination or expiration.

33. Execution in Counterparts: The Agreement may be executed in counterparts, each of which will be deemed an original and all of which will constitute but one and the same instrument.

The Grantee shall only use funds for those items specified in Attachment 1, Specific Grant Awards (Attachment 1). Such items must comply with the requirements of section 633.135, F.S., and Rules 69A-37.501 and .502, F.A.C.

1. Demonstration of Performance and Acceptance of Deliverables:

The deliverables requiring payment will be accepted by the Department's Contract Manager only after the Grantee has provided proof of payment and receipt of the authorized items; deliverables not requiring payment must be evidenced by submittal of the documentation as stated herein. If the Department rejects a deliverable, all costs associated with correction of that deliverable shall be at the Grantee's expense. The Grantee shall work diligently to timely correct all deficiencies noted by the Department. Final acceptance of the deliverable shall be considered to occur when the deliverable has been approved by the Department. The Grantee must provide proof of payment and receipt of the authorized items to be entitled to retain funds provided under the Agreement.

2. Payment Amount, Invoice Submittal, and Payment Schedule: The payment obligation of the Department shall not exceed the amount stated in Attachment 1. The deliverable amount specified in Attachment 1 establishes the maximum reimbursable amount for the authorized item and not the value of the item. The Grantee's entitlement to retain funds is dependent upon the following: the Grantee timely submitted an accurate and acceptable invoice and any other necessary supporting documentation as described in Section B.3., Deliverables; the funds were fully obligated by the Grantee as of June 30th of the State's fiscal year in which the grant was awarded and were disbursed by the Department on or before September 30th of the same calendar year; and, in accordance with the Agreement Section 8, entitled "Funding Requirements of Section 215.971, F.S.," the amount of allowable costs incurred and expended by Grantee in performance of the requirements of this Agreement.

4. Financial Consequences for Failure to Timely and Satisfactorily Perform: Failure to comply with the requirements of Section B.3., Deliverables, will result in automatic task rejection and the deliverable shall not be invoiced or paid until correction of the task. Failure to complete the required duties as outlined in the SOW shall result in the rejection of the invoices. Failure to complete all deliverables in accordance with the requirements of the Agreement, and in

particular, as specified above in Section B.3., Deliverables, will result in assessment by the Department of the specified financial consequences. This provision for financial consequences shall in no manner affect the Department's right to terminate the Agreement as provided elsewhere in the Agreement.

- 5. Notification of Instances of Fraud:** Instances of Grantee operational fraud or criminal activities shall be reported to the Department's Contract Manager within twenty-four (24) hours of being made aware of the incident.

 - b. Complete performance of such part of the work as shall not have been terminated by the Department.
 - c. Take such action as may be necessary, or as the Department may specify, to protect and preserve any property which is in the possession of Grantee and in which the Department has or may acquire an interest.

The Grantee shall provide a harassment-free workplace, and any allegation of harassment shall be given priority attention and action.
- 8. Insurance Coverage:** In addition to the insurance coverage requirements of Sections 20 and 23 of this Agreement, if the Grantee is authorized to purchase pumper fire apparatus under this Agreement, the Grantee shall obtain and maintain insurance coverage sufficient to satisfy the minimum legal requirements for operation of the apparatus and to provide, at a minimum, replacement cost value coverage for the apparatus while the apparatus is licensed or for the five-year period following termination of this Agreement, whichever timeframe ends first.
- 9. Limitation of Liability:**
 - a. For all claims against Grantee under the Agreement, and regardless of the basis on which the claim is made, Grantee's liability under this Agreement for direct damages shall be limited to the dollar amount of this Agreement. This limitation shall not apply to claims arising under the Indemnity paragraphs contained in the Agreement.
 - b. Neither Party shall be liable to the other for special, indirect, punitive, or consequential damages, including lost data or records, even if the Party has been advised that such damages are possible. Neither Party shall be liable for lost profits, lost revenue, or lost institutional operating savings. The State and the Department may, in addition to other remedies available to them at law or in equity and upon notice to Grantee, retain such monies from amounts due Grantee as may be necessary to satisfy any claim for damages, penalties, costs and the like asserted by or against them.

Department of Financial Services
Division of Accounting and Auditing – Bureau of Auditing

**AUDIT REQUIREMENTS FOR AWARDS OF
STATE AND FEDERAL FINANCIAL ASSISTANCE**

The administration of resources awarded by the Department of Financial Services (Department) to the Grantee may be subject to audits and/or monitoring by the Department, as described in this section.

MONITORING

In addition to reviews of audits conducted in accordance with 2 CFR 200, Subpart F - Audit Requirements, and section 215.97, Florida Statutes (F.S.), as revised (see AUDITS below), monitoring procedures may include, but not be limited to, on-site visits by Department staff, limited scope audits as defined by 2 CFR §200.425, or other procedures. By entering into this agreement, the Grantee agrees to comply and cooperate with any monitoring procedures or processes deemed appropriate by the Department. In the event the Department determines that a limited scope audit of the Grantee is appropriate, the Grantee agrees to comply with any additional instructions provided by Department staff to the Grantee regarding such audit. The Grantee further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Chief Financial Officer (CFO) or Auditor General.

AUDITS

Part I: Federally Funded

This part is applicable if the Grantee is a state or local government or a nonprofit organization as defined in 2 CFR §200.90, §200.64, and §200.70.

1. A grantee that expends \$750,000 or more in federal awards in its fiscal year must have a single or program-specific audit conducted in accordance with the provisions of 2 CFR 200, Subpart F - Audit Requirements. EXHIBIT 1 to this form lists the federal resources awarded through the Department by this agreement. In determining the federal awards expended in its fiscal year, the Grantee shall consider all sources of federal awards, including federal resources received from the Department. The determination of amounts of federal awards expended should be in accordance with the guidelines established in 2 CFR §§200.502-503. An audit of the Grantee conducted by the Auditor General in accordance with the provisions of 2 CFR §200.514 will meet the requirements of this Part.
2. For the audit requirements addressed in Part I, paragraph 1, the Grantee shall fulfill the requirements relative to auditee responsibilities as provided in 2 CFR §§200.508-512.
3. A grantee that expends less than \$750,000 in federal awards in its fiscal year is not required to have an audit conducted in accordance with the provisions of 2 CFR 200, Subpart F - Audit Requirements. If the Grantee expends less than \$750,000 in federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of 2 CFR 200, Subpart F - Audit Requirements, the cost of the audit must be paid from non-federal resources (i.e., the cost of such an audit must be paid from Grantee resources obtained from other than federal entities).

Part II: State Funded

1. In the event that the Grantee expends a total amount of state financial assistance equal to or in excess of \$750,000 in any fiscal year of such Grantee (for fiscal years ending June 30, 2017, or thereafter), the Grantee must have a state single or project-specific audit for such fiscal year in accordance with section 215.97, F.S.; applicable rules of the Department of Financial Services; and Chapters 10.550 (local governmental entities) and 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General. State financial assistance does not include federal direct or pass-through awards and resources received by a nonstate entity for federal program matching requirements.
3. For the audit requirements addressed in Part II, paragraph 1, the Grantee shall ensure that the audit complies with the requirements of section 215.97(8), F.S. This includes submission of a financial reporting package as defined by section 215.97(2), F.S., and Chapters 10.550 (local governmental entities) and 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General.
4. If the Grantee expends less than \$750,000 in state financial assistance in its fiscal year and elects to have an audit conducted in accordance with the provisions of section 215.97, F.S., the cost of the audit must be paid from the nonstate entity's resources (i.e., the cost of such an audit must be paid from the Grantee's resources obtained from other than state entities).

DEPARTMENT OF FINANCIAL SERVICES
Public Records Requirements

Addendum A

1. Public Records Access Requirements.

- a. If the Contractor is acting on behalf of the Department in its performance of services under the Contract, the Contractor must allow public access to all documents, papers, letters, or other material, regardless of the physical form, characteristics, or means of transmission, made or received by the Contractor in conjunction with the Contract (Public Records), unless the Public Records are exempt from public access pursuant to section 24(a) of Article I of the Florida Constitution or section 119.07(1), F.S.
- b. The Department may unilaterally terminate the Contract if the Contractor refuses to allow public access to Public Records as required by law.

2. Public Records Requirements Applicable to All Contractors.

- a. For purposes of the Contract, the Contractor is responsible for becoming familiar with Florida's Public Records law, consisting of chapter 119, F.S., section 24(a) of Article I of the Florida Constitution, or other applicable state or federal law (Public Records Law).
- b. All requests to inspect or copy Public Records relating to the Contract must be made directly to the Department. Notwithstanding any provisions to the contrary, disclosure of any records made or received by the State in conjunction with the Contract is governed by Public Records Law.
- c. If the Contractor has a reasonable, legal basis to assert that any portion of any records submitted to the Department is confidential, proprietary, trade secret, or otherwise not subject to disclosure ("Confidential" or "Trade Secret") under Public Records Law or other legal authority, the Contractor must simultaneously provide the Department with a separate redacted copy of the records the Contractor claims as Confidential or Trade Secret and briefly describe in writing the grounds for claiming exemption from the Public Records Law, including the specific statutory citation for such exemption. The un-redacted copy of the records must contain the Contract name and number and must be clearly labeled "Confidential" or "Trade Secret." The redacted copy of the records should only redact those portions of the records that the Contractor claims are Confidential or Trade Secret. If the Contractor fails to submit a redacted copy of records it claims are Confidential or Trade Secret, such action may constitute a waiver of any claim of confidentiality.
- d. If the Department receives a Public Records request, and if records that have been marked as "Confidential" or "Trade Secret" are responsive to such request, the Department will provide the Contractor-redacted copies to the requester. If a requester asserts a right to the portions of records claimed as Confidential or Trade Secret, the Department will notify the Contractor that such an assertion has been made. It is the Contractor's responsibility to assert that the portions of records in question are exempt from disclosure under Public Records Law or other legal authority. If the Department becomes subject to a demand for discovery or disclosure of the portions of records the Contractor claims as Confidential or Trade Secret in a legal proceeding, the Department will give the Contractor prompt notice of the demand, when possible, prior to releasing the portions of records the Contractor claims as Confidential or Trade Secret (unless disclosure is otherwise prohibited by applicable law). The Contractor shall be responsible for defending its determination that the redacted portions of its records are Confidential or Trade Secret. No right or remedy for damages against the Department arises from any disclosure made by the Department based on the Contractor's failure to promptly legally protect its claim of exemption and commence such protective actions within ten days of receipt of such notice from the Department.
- e. If the Contractor claims that the records are "Trade Secret" pursuant to section 624.4213, F.S., and all the requirements of section 624.4213(1), F.S., are met, the Department will respond to the Public Records Request in accordance with the provisions specified in that statute.
- f. The Contractor shall ensure that exempt or confidential and exempt Public Records are not disclosed except as permitted by the Contract or by Public Records Law.

Addendum A

3. Additional Public Records Duties of Section 119.0701, F.S., If Applicable.

If the Contractor is a “contractor” as defined in section 119.0701(1)(a), F.S., the Contractor shall:

- a. Keep and maintain Public Records required by the Department to perform the service.
- b. Upon request, provide the Department with a copy of requested Public Records or allow the Public Records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in chapter 119, F.S., or as otherwise provided by law.
- c. Ensure that Public Records that are exempt or confidential and exempt from Public Records disclosure requirements are not disclosed except as authorized by law for the duration of the Contract term and following completion of the Contract if the Contractor does not transfer the Public Records to the Department.
- d. Upon completion of the Contract, transfer, at no cost, to the Department all Public Records in possession of the Contractor or keep and maintain Public Records required by the Department to perform the service. If the Contractor transfers all Public Records to the Department upon completion of the Contract, the Contractor shall destroy any duplicate Public Records that are exempt or confidential and exempt from Public Records disclosure requirements. If the Contractor keeps and maintains Public Records upon completion of the Contract, the Contractor shall meet all applicable requirements for retaining Public Records. All Public Records stored electronically must be provided to the Department, upon request from the Department’s custodian of Public Records, in a format specified by the Department as compatible with the information technology systems of the Department. These formatting requirements are satisfied by using the data formats as authorized in the Contract or Microsoft Word, Outlook, Adobe, or Excel, and any software formats the Contractor is authorized to access.
